Douglas District Interschool Sports

Congratulations to all students selected to participate in the 'Douglas District Interschool Sports Trials' this Friday. This is a fantastic opportunity for students to try out for Netball, Rugby League and AFL and if successful, will be given the opportunity to represent our Douglas District at a Regional level. I'm confident all students will be representing our school demonstrating fantastic manners and great sportsmanship. Good luck!

Arts Council

On Monday 27th of February, the Art's Council is returning with an amazing show. Bernard Mangakahia is performing *MANA – The Spirit of Polynesia*. He tells a cultural story of his culture, showing the links between personal identity and family backgrounds. Students will have the opportunity to participate in cultural songs and dances, and listen to stories passed down through the generations. For those that have yet to pay their child's \$24 Arts Council Invoice, please send \$6 with your child prior to the performance. There will be no telephone call reminders. Children who do not pay will be supervised in the library.

Differentiation

"Differentiation is making sure that the right students get the right learning tasks at the right time.

Once you have a sense of what each student knows and what he or she needs in order to learn, differentiation is no longer an option; it is an obvious response." Tomlinson (2001)

This week again, I have started coaching classroom teachers and meeting with teachers at our routine Student Progress Meetings. Once again I am impressed by the dedication of staff to differentiate their student's learning, ensuring every child is learning to the best of their ability every day.

Teachers differentiate by making adjustments to the depth of student learning, the ways students are learning and the environment in which they are learning. Teachers are continuously planning, reflecting upon the learning that has taken place and making adjustments to ensure every child is learning to the best of their ability.

Regards Kate Brennan
