Welcome to Student Teacher Eve Aquisto who is doing her practicum in Year 2 with Mrs Barnes 😊

FLOODING / CYCLONES

Please be aware that any school closures are announced on ABC Radio. Otherwise, school is open as normal. At school we are unaware of flooding or road conditions [apart from Miallo Creek directly over road] as we do not leave school to check out the roads. Parents must monitor the weather and make their own decisions regarding picking up their children from school early or keeping them home depending on their own address and situation. The bus company contacts schools if they are coming to pick up students early and they contact parents to inform them.

STUDENT LEADER INDUCTION

Congratulations to our student leaders on their induction into their positions last week. Thank you to our special visitor Mrs Kachel from the high school, for parents and special visitors attending and to Carmel Ives for making the amazing cake!

ASSESSMENTS

This week is heads down for the students with a number of assessments occurring across all grades. This data will be analysed at a class and student level to assist with differentiating the curriculum for particular groups and students within a class. Next week, teachers meet individually with our Head of Curriculum to look at all of this data and make judgements on student goals and modifying curriculum to suit. This assists with supporting students who need additional help or extending, as well as for setting goals for students on Individual Curriculum Plans.

Our Seniors will be on a 4-day camp next week at Mungalli Falls. Mrs G and Mr Barnes have planned a fantastic camp and I look forward to hearing all about it upon their return.

Regards, © MsAnet
